

Agreement with Victoria Capital Partners

In December 2017, Principia Capital Partners signed an agreement with Victoria Capital Partners, an independent investment firm focused on private equity investments in South America. Principia Capital Partners team worked for Victoria Capital Partners and, along with certain other senior investment professionals, was responsible for the investment activities in Brazil from 2007 to 2017.

Under this agreement, Principia Capital Partners was appointed the local manager of certain FIPs (*Fundo de Investimento em Participações*) to provide services to Victoria Capital Partners in respect of the funds that hold the following Brazil portfolio companies: Grupo Technos, Ideal Invest, Grupo Oncoclínicas, FLC, Elemidia and Celleria Farma.

São Paulo – December 14, 2017.
